Breezes Blew Too Much--Time Into Auto. Contest.

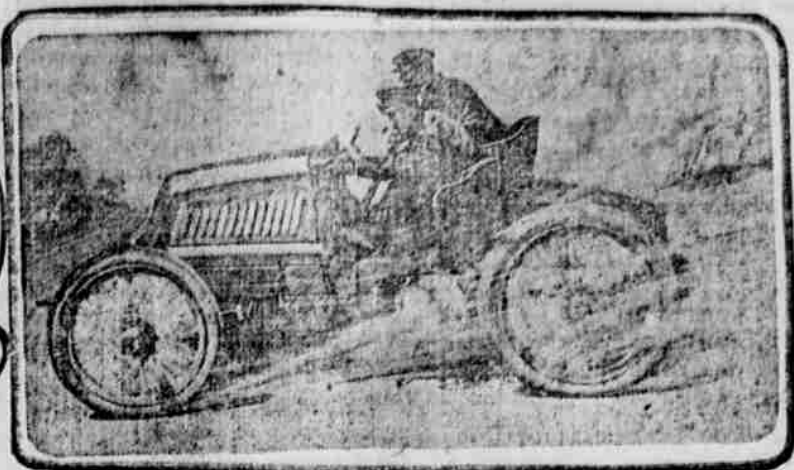

POSTWICK "IN HIS AUTO"

Providence, R. I., Oct. 22.—It was no fault of either M. Henri Fournier or his machine that records failed to go by the board in his race against time. The strong wind that blew up the backstretch and the condition of the track were responsible for the failure.

All attention was fixed on the big Mors machine as it came out on the track for the warmup, and the flying Frenchman was greeted with rousing cheers. He spun around the track for a couple of preliminary miles and then gave the signal for the start. He

SOME OF THE TROTTERS

FOXWALL, KEEFE

was flying down the stretch before the wind when the word was given and went around the first mile in 1:07½, which is 3.10 second slower than the best records made at the Empire City track.

The wind grew in intensity as the

Frenchman went on his way, and the first lap was the only one that he made in anywhere near the record time. The time increased by seconds, and the eighth was over 74 seconds. He lost his count of miles and stopped at the end of the ninth mile, which was run in 1:21½.

BILLS**Stricken From Pay Roll.****A Street Sweeping Committee Considered.****Ordinance to Name a Street Diagonal.****Mr. Walker Again to the Aid of Strikers.**

By the objection of Council to an item in the payroll ordinance attention was called Monday night to the Howard st., Sweeping Committee, which is composed of City Civil Engineer John W. Payne and Messrs. B. L. Dodge and Frank Flebeger. This committee has power to act without referring minor matters to Council, and can also spend money for necessary supplies. The item to which Council objected was "May & Flebeger, \$142.25." This, it was explained, came merely as a courtesy from the firm, as it had ordered street cleaning equipment, and had even paid for it, pending payment by the city. However, it was ordered stricken out. Two other bills fared likewise. They were \$85 due J. S. Englander, for lumber, and \$60 due the Akron Water Works Co., for flushing streets.

The city furnishes two men to help keep Howard st., clean, but they are to be taken off, after this week, to save expenses.

An ordinance was introduced naming a street in the south-western part of the city, Diagonal. Heretofore, it has been known as "Sherbondy Road," and citizens claim that their mail has been mixed with that of Sherbondy people. Mr. Sedell, of the Street Committee, presented a minority report in favor of passing the ordinance, and a vote was taken on the report. No majority report was presented. Finally the matter was laid over until the next meeting.

Council approved the action of the Board in awarding to the Brewster Coal Co., the contract to furnish coal to this city during the coming year. The order includes 245 tons of soft nut coal, 35 tons of hard coal, and 16 tons of soft lump.

Councilman Walker is a champion of the cause of the strikers. At the last two meetings of the Council he has had matters affecting the strike discussed, and had action taken in both. At the meeting two weeks ago he had an arbitration committee appointed. Monday night, he wanted the police to get after the Central Union Co., for propping up an old pole in South Akron, instead of putting in a new one. "If it falls down and hurts somebody," he said, "I believe the company wants the pole to fall down so it can find something more to blame on the strikers."

Citizen Sam Hibbs, of Dean st., was present Monday night to again complain against the conduct of the N. O. T. Co., on North Hill, and the negligence of the city in caring for the streets on the North Side. Mayor Doyle explained to Mr. Hibbs that if he knew of any violations of ordinances, and knew the names of violators he should at once make out an affidavit against such persons.

Councilman Pliske asked Solicitor Esgate to have an ordinance ready for introduction by the next meeting night providing for selling potatoes, apples,

SETTLED.**Billy Coleman's Match Will be at Doylestown.**

Billy Coleman has made definite arrangements for the wrestling match that he has with Jack McAuliffe, of Toronto, Can. The match will take place at Doylestown, Thanksgiving eve. "Spider" Kelly, a pugilist from New York City has been secured to act as referee.

The work of getting a number of preliminary events together will be done as rapidly as possible.

Will Meet Soon.

Captain Harry J. Blackburn has not yet finished the selection of the committees who will have charge of the local part of the preparation for the reunion of the old Eighth regiment. He will name the men within a few days and meetings will be held and the committees instructed in the parts that they must fill.

All of the uncertainty as to the support the project will receive has been dispelled and the men are enthusiastic and hopeful about the success of the meeting.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs or the kidneys themselves break down and waste away cell by cell.

Bladder troubles most always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and sold by all druggists in fifty-cent and one-dollar sized bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y.
